

What's happening at RW's Vol.2 July 2023

Happy Birthday to RW
Dano, Rene and Dohnny
On July 18th
Delicious dinner & cake

Happy Birthday to USA & Jim
July 4th Independent Day
We celebrated both parties with
our great customers

Even though NO King Salmon on Kenai River, our customers have been enjoying great Sockeye Salmon fishing on the Kenai River and Halibut fishing at Ocean.

The Kenai River is high making fishing from the shore challenging in some areas. Our customers are catching limits from RW's 1000ft bank exclusively open for our customer.

Excellent Salt-water fishing for Halibuts, Line cods !!
